Promenade Wellness: Refined Living, Elevated

In the heart of Jakarta's most dynamic district, Fifty Seven Promenade redefines wellness as more than a trend—it's a way of life. Here, every detail is thoughtfully designed to bring balance, harmony, and sophistication into your everyday routine.

Space to Restores Your Energy

Imagine beginning your mornings with yoga at the indoor pool on the 59th floor, embraced by tranquil waters and breathtaking skyline views. Afterward, refresh yourself with a calm swim or continue your flow at the fully equipped fitness center. Every facility is a sanctuary for body and mind, crafted to help you thrive amidst Jakarta's vibrant pace.

Moments to Connect and Unwind

For moments of connection, the Private Dining Area offers an intimate space to gather, unwind, and enjoy life's finer pleasures. Step back into your residence and experience privacy, comfort, and elegance in every corner.

At Fifty Seven Promenade, wellness is more than an amenity—it's your lifestyle, seamlessly woven into the fabric of modern living.
