SQ Rés: Green Living in The Heart of South Jakarta

In the middle of Jakarta's busy rhythm, SQ Rés offers a different way of living. Surrounded by lush greenery and peaceful open spaces, the residence creates a resort inspired atmosphere that feels private, refreshing, and tucked away from the hustle and bustle of the city, while still staying connected to the vibrant heart of South Jakarta, TB Simatupang.

At SQ Rés, even the simplest moments feel more meaningful. Every corner is thoughtfully designed to bring balance, comfort, and a softer pace to your everyday living.

 Start your morning with a quiet walk through green pathways,

 spend a slow afternoon reading by the garden,

 or enjoy light exercise surrounded by fresh air and calming views.

More than just an apartment, SQ Rés is a refined living space for professionals, newlyweds, and expatriates seeking privacy, comfort, and the rare luxury of green living in South Jakarta. By leasing your unit here, you'll experience mornings surrounded by greenery, quieter moments away from the city's rush, and a lifestyle where wellness and comfort naturally become part of your everyday routine.

 Start leasing your unit at SQ Rés and experience refined living in South Jakarta.
